

Ph.D./Master's Employment Career Fair - Friday Center, Chapel Hill, NC - Thurs., November 18, 2010 - 1:00-4:00 P.M.

Organization	Overview	Website	Areas of Study Sought	Masters	PhD Candidate	PhD Degree	Inter-national Students
AAAS (American Association for the Advancement of Science)	AAAS offers Science & Technology Policy Fellowships in 6 areas for scientists and engineers to participate in and contribute to the federal policymaking process (in congressional offices and executive branch agencies) while learning firsthand about the intersection of science and policy.	http://fellowships.aaas.org	Sciences, Mathematics/Statistics, Engineering/Computer Science			X	
American Journal Experts	American Journal Experts specializes in premium English editing and proofreading for authors wishing to publish their manuscripts in English language journals. Editors perform quality copyediting and proofreading in all areas of science and medicine as well as many additional academic fields.	http://www.journalexperts.com	Managing editor; Publishing Service	X	X	X	
BASF Corporation	BASF is the world's leading chemical company. Its portfolio ranges from oil and gas to chemicals, plastics, performance products, agricultural products and fine chemicals. BASF's products & solutions address global challenges: climate protection, energy efficiency, nutrition & mobility.	http://www2.basf.us/careers/	Engineering/Computer Science, Engineering, Sciences, Research and Development; PhD in Chemistry, Biochemistry, or Chemical Engineering		X	X	
BD Technologies	BD (Becton, Dickinson and Company) is a global medical technology company that is focused on improving drug delivery, enhancing the diagnosis of infectious diseases and cancers, and advancing drug discovery. BD develops, manufactures and sells medical supplies, devices, laboratory instruments, antibodies, reagents and diagnostic products.	http://www.bd.com	Engineering, Engineering/Computer Science, Healthcare, Research and Development, Sciences, Technology	X	X	X	
Center on Budget and Policy Priorities	State Policy Fellows tackle domestic policy challenges in areas like health care, taxes, anti-poverty policy, education and public safety. Working in independent, highly respected think tanks located in state capitals, Fellows analyze the impact of state budget and tax policy choices on low-income residents and promote positive reforms.	http://www.cbpp.org/fellowship	Humanities, Mathematics/Statistics, Social Sciences, Public Policy, Public Administration, Social Work, Public Health, Think Tank/Research & Analysis	X	X	X	
Central Intelligence Agency (CIA)	The Central Intelligence Agency (CIA) is an independent US Government agency responsible for providing national security intelligence to senior US policymakers.	http://www.cia.gov	Engineering/Computer Science, Humanities, Mathematics/Statistics, Sciences, Social Sciences; Operations Officer, Collection Management Officer, Staff Operations Officer	X	X	X	
Children's Hospital of Philadelphia (CHOP)	CHOP was the first pediatric hospital in the United States. Our physicians, nurses, researchers and other professionals are recognized regionally and nationally for their expertise. CHOP's exceptional patient care and major research initiatives benefit children worldwide.	http://www.chop.edu	Clinical Research, Research and Development, Sciences, Social Sciences; Postdoctoral Fellows, Sr. Research Assistant, Research Associate, Sr. Research Associate	X	X	X	Yes
CNA Corporation, The	CNA's objective, empirical research and analysis helps decision makers develop sound policies, make better-informed decisions, and manage programs more effectively. They provide public-sector organizations with the tools they need to tackle the complex challenges of making government more efficient and keeping our country safe and strong.	http://www.cna.org	Research and Analysis, Engineering/Computer Science, Mathematics/Statistics, Sciences, Social Sciences; Research Analyst, Research Analyst: China Studies	X	X	X	

Organization	Overview	Website	Areas of Study Sought	Masters	PhD Candidate	PhD Degree	International Students
Corning Incorporated	Corning Incorporated is the world leader in specialty glass and ceramics. Drawing on more than 150 years of materials science and process engineering knowledge, Corning creates and makes keystone components that enable high-technology systems for consumer electronics, mobile emissions control, telecommunications and life sciences.	http://www.corning.com	Engineering/Computer Science, Mathematics/Statistics, Research & Development, Sciences; PostDoc Research /Development/Engineering, Scientist Research/Development, Engineering Associate	X		X	Yes
ENSCO, Inc.	ENSCO's mission of security is demonstrated by its work in chem-bio defense, enterprise protection, geolocation & navigation, underground characterization, and security products. The technology is diverse and the work is across industries.	http://www.ensco.com	Geophysics, Physics, Engineering, Engineering/Computer Science, Sciences, Research and Development, Mathematics/Statistics; Sr. RF Engineer,	X	X	X	
Federal Energy Regulatory Commission	FERC regulates and oversees energy industries in the economic, environmental, and safety interests of the American public. FERC's staff works to solve the challenges of managing today's energy markets and set policy direction for the energy industry at large.	http://www.ferc.gov/careers	Engineering/Computer Science, Sciences, Engineering, Energy, Social Sciences	X	X	X	
Georgia Tech Research Institute	The Georgia Tech Research Institute hires, equips and supports the best research faculty and support personnel in the business. We employ researchers in most recognized fields of science and technology.	http://www.gtri.gatech.edu/careers	Engineering/Computer Science, Mathematics/Statistics, Sciences, Research and Development, Technology, Engineering; Research Engineer, Research Scientist	X	X	X	
Health and Human Services, US Dept. of/Office of Human Resources	The U.S. Department of Health and Human Services (HHS) is the government's principal agency for protecting the health and well-being of all Americans.	http://www.hhs.gov	Chemist, Statistician, HR Specialist, Biotechnology/Pharmaceutical, Engineering, Financial Services, Healthcare, Insurance/Reinsurance, Research & Development	X	X	X	Yes
Henry M. Jackson Foundation, The	Nonprofit organization for the advancement of military medicine, providing innovative services to meet the unique needs of military medicine, including research administration, program management and staffing, clinical trials, education support and event planning.	http://www.hjf.org	Clinical Research, Healthcare, Sciences, Social Sciences (Postdoctoral Fellows, Research Associates, Scientists)	X	X	X	Yes
Institute for Family Centered Services (IFCS)	IFCS is a privately owned organization which currently provides services in VA, MD, NC, and FL. Throughout its 20 years IFCS has earned the reputation for successfully serving families with the most challenging and difficult circumstances, utilizing a family systems model of treatment.	http://www.ifcsinc.com	Healthcare, Social Sciences; Family Centered Specialist (Family Counselors)	X	X		
Manhattan Associates	For 20 years, Manhattan Associates has concentrated exclusively on helping companies streamline their supply chains to achieve lower costs, higher profits and happier customers. We focus on supply chain optimization to bring value through research and development, training, implementation and ongoing support.	http://www.manh.com/about-us/careers-manhattan-associates	Consulting, Engineering/Computer Science, Research and Development, Technology; Associate Software Engineer, Associate Business Analyst	X		X	Yes
NASA	The National Aeronautics and Space Administration (NASA) is an independent United States government agency. As explorers, pioneers, and innovators, we boldly expand frontiers in air and space to inspire and serve America and to benefit the quality of life on Earth.	http://www.nasa.gov	Sciences, Mathematics/Statistics, Engineering/Computer Science; Aerospace, Atmospheric Science, Aeronautics, Astronautics; Graduate Student Researchers Fellowship, NASA Postdoctoral Fellowship, Langley Aerospace Researchers Summer Scholars Internships	X	X	X	Yes

Organization	Overview	Website	Areas of Study Sought	Masters	PhD Candidate	PhD Degree	International Students
National Biosafety and Biocontainment Training Program (NBBTP)	NBBTP's mission is to prepare Biosafety and Biocontainment professionals to meet the needs of the biomedical, emerging disease and civilian biodefense research communities. The NBBTP offers two year post-baccalaureate and post-doctoral fellowships at the NIH Bethesda Campus providing professional training in biosafety and biocontainment at one of the foremost biomedical research centers.	http://www.nbbtp.org	Sciences; Microbiology, public health, medicine (human or veterinary), or other allied sciences (industrial hygiene, engineering, etc.); High- and Maximum-Containment Laboratory support and occupational health & safety	X	X	X	
NIST Building Environment Division	The mission of the building and fire research programs at NIST is to anticipate and meet the measurement science, standards, and technology needs of the U.S. building and fire safety industries in areas of critical national need.	http://www.nist.gov	Energy, Engineering/Computer Science, Engineering, Environment, Sciences, Technology; Engineer-Smart Grid to Building Integrator, Engineer-Building Performance Measurements, Engineer-Intelligent Building Control Systems	X	X	X	
North Carolina Biotechnology Center	The NC Biotechnology Center is dedicated to developing the biotechnology industry. It supports biotechnology research, business and education statewide & works to strengthen the research capabilities of NC's companies and universities, avoid duplication of effort, & use limited resources more efficiently.	http://www.ncbiotech.org	Biotechnology/Pharmaceuticals, Sciences		X	X	
Northrop Grumman	Northrop Grumman Corporation is a global defense and technology company whose 120,000 employees provide innovative systems, products, and solutions in information and services, electronics, aerospace and shipbuilding to government and commercial customers worldwide.	http://www.northropgrumman.com	Engineering/Computer Science, Mathematics/Statistics, Sciences, Engineering, Technology	X		X	
Oak Ridge Associated Universities	The Maryland Office of Oak Ridge Associated Universities (ORAU) administers research participation programs that allow senior scientists; faculty; high school, bachelor's, master's, and doctoral students; and recent graduates to enhance their science education experiences.	http://www.orau.org/maryland	Mathematics/Statistics, Sciences, Engineering/Computer Science, Research & Development; Postgraduate research appointments & Postdoctoral fellowships; Mathematical & Physical Modeling Project, Health Promotion Project, Neuropharmacology and Neurochemistry Research	X	X	X	
Oak Ridge National Laboratory	Oak Ridge National Laboratory has spent the last decade investing billions in scientific infrastructure mapped to the most exciting and urgent science in the world. The unmatched caliber of the Lab's facilities gives researchers the opportunity to conduct the most important science of their careers.	http://jobs.ornl.gov	Mathematics/Statistics, Engineering/Computer Science, Sciences, Research and Development, Energy, Environment, Education, Engineering, Technology	X	X	X	Yes
OPNET Technologies Inc.	OPNET Technologies, Inc. is a leading provider of solutions for managing applications and networks. OPNET's best-in-class solutions address: application performance management; network engineering, operations, and planning; and network R&D.	http://www.opnet.com	Engineering/Computer Science, Technology; Software Engineers, Product Engineers, Sales & Pre-Sales Engineers	X	X	X	Yes
Regeneron	Regeneron is a biopharmaceutical company that discovers, develops, and commercializes medicines for the treatment of serious medical conditions.	http://www.regeneron.com	Biotechnology/Pharmaceuticals, Clinical Research, Research & Development, Sciences, Engineering/Computer Science, Engineering; Scientist, Research Associate, Process Development Engineer	X	X	X	Yes

Organization	Overview	Website	Areas of Study Sought	Masters	PhD Candidate	PhD Degree	Inter-national Students
Rho, Inc.	Rho is a full-service, professionally managed contract research organization optimally sized to deliver results from clinical research with agility and adaptability. They provide services to pharmaceutical, biotechnology, and medical device companies as well as a number of federal agencies.	http://www.rhoworld.com	Biotechnology/Pharmaceuticals, Clinical Research, Sciences, Mathematics/Statistics, Research & Development; Biological and Life Sciences, Biostatistician	X	X	X	
RKF Engineering	RKF Engineering Solutions, LLC, is a veteran-owned small business devoted to finding innovative engineering solutions for communication networks and satellite systems starting with regulatory expertise, system engineering designs and custom software development.	http://www.rkf-engineering.com	Consulting, Engineering/Computer Science, Engineering, Research and Development, Technology; Software Developer/programmer, Communications System Engineer	X	X	X	
Sandia National Laboratories	A national security laboratory operated for the U.S. Dept. of Energy by the Sandia Corporation, a Lockheed Martin Company. Sandia performs a wide variety of energy research and development projects, including assignments that respond to national security threats, both military & economic.	http://www.sandia.gov	Mathematics/Statistics, Sciences, Engineering/Computer Science, Research & Development, Technology, Energy, Engineering, Environment, Biotechnology/Pharmaceuticals	X	X	X	
Signal Innovations Group, Inc. (SIG)	SIG is pioneering new data modeling methods and cutting-edge algorithm design for pattern recognition and decision systems. Our R&D team is skilled in Computer Vision, Computational Mathematics, Detecting and Estimation Theory and Stochastic Systems.	http://www.siginnovations.com	Engineering/Computer Science, Mathematics/Statistics, Engineering; Algorithm Research/Development Engineer	X		X	
SMART Scholarship Program	The Science, Mathematics And Research for Transformation (SMART) Scholarship for Service Program is an opportunity for students pursuing an undergraduate or graduate degree in Science, Technology, Engineering, and Mathematics (STEM) disciplines to receive a full scholarship and be gainfully employed upon degree completion.	http://www.asee.org/smart	Biotechnology/Pharmaceuticals, Clinical Research, Engineering/Computer Science, Mathematics/Statistics, Engineering, Research and Development, Sciences, Technology	X	X		
SRI International	SRI International is an independent, nonprofit research institute conducting client-sponsored research and development for government agencies, commercial businesses, foundations, etc. SRI also brings its innovations to the marketplace by licensing its intellectual property and creating new ventures.	http://www.sri.com	Sciences, Research & Development	X	X	X	
US Air Force Health Professions	The Air Force has openings for healthcare professionals in various specialties. Air Force healthcare professionals work together as a team, focusing on patient care. We work with the latest technology in state-of-the-art facilities and enjoy a quality of life that's second to none.	http://www.airforce.com/opportunities/healthcare/careers/	Biotechnology/Pharmaceuticals, Clinical Research, Environment, Healthcare, Sciences, Social Sciences; Clinical Psychologist, Masters in Social Work, Occupational Therapist	X	X	X	
US Navy Officer Programs	America's Navy offers literally hundreds of distinct professional roles in dozens of exciting fields. And whether you're seeking a position as a nuclear engineer, a Navy Physician or a Navy SEAL, you'll find unrivaled training and unequalled experience in a career of your dreams.	http://www.navy.com/navy/careers/	Engineering, Engineering/Computer Science, Mathematics/Statistics, Sciences	X	X	X	
Youth Villages	Youth Villages provides an array of programs and services including Intensive in-home services, residential treatment, foster care, adoption, group homes, transitional living, specialized crisis services, and intensive residential treatment.	http://www.youthvillages.org	Counseling, Social Sciences, Clinical Research, Healthcare, Humanities; In-home family counselor, Transitional Living Counselor, Foster Care Counselor	X
